### **IMPORTANT: If you are travelling by air**

#### **1. Buy enough weight**

Most budget airlines (Air Asia, Malindo, etc). do not allow you to hand-carry your harp. Please ensure that you buy enough check-in luggage weight. Normally, only two pieces of check-in luggage are allowed (one will be the harp and the other your personal belongings), plus one hand-carry bag weighing 7 kg and a computer bag (or handbag for the ladies).

We advise you to double-check with the airline what they will allow, in case of any changes in their rulings.

Glory Harp with bag and accessories:

approximate weight - 7.5kg

approximate size - D 94cm x L 85cm x W 23cm

2. **Book your return flight for any date AFTER FRI 1 SEPTEMBER 2017 EVENING**, if you would like us to pack your harp for checking-in.
